

## STAFF AUGMENTATION CAPABILITIES FOR THE PRIVATE SECTOR

### OVERVIEW

- ▶ nTech Workforce provides staffing services to Fortune 100 commercial organizations and small to mid size businesses alike.
- ▶ Our team regularly works alongside Operation Managers to scale small to mid size businesses.
- ▶ We offer professional employer organization services to prescreen, onboard, and administer compensation & benefits, worker's compensation, unemployment insurance, work schedule & leave administration, work-life wellness, etc.
- ▶ Direct-hire talent acquisition support. Let the experts at nTech help you find the ideal candidate that will contribute to your overall growth.
- ▶ Temporary talent acquisition support. Not only will we find people, but we also provide a framework and desirable experience for you to comfortably engage remote & contingent workers.

### EXPERIENCE

- ▶ **Exelon Corporation**  
Hero Bridge/Veterans  
Provided Veteran job placement, talent acquisition, staffing, and related human capital services to deliver value across the entire contingent acquisition and management chain for Exelon - to include IT, legal, accounting/finance, administrative/clerical, and construction across the United States.
- ▶ **Alvarez & Marsal Capital ("AMC")**  
Staffing and Recruitment Services  
As one of three preferred suppliers to AMC's portfolio, provided bespoke staffing, recruitment, and related human capital services to accelerate growth and enable scaling.
- ▶ **Switch Communications & Media ("swtch")**  
Recruitment Services  
Enabling swtch's mission to redefine narratives through storytelling and world-class branding by providing recruiting services to secure, for example, a Director of Operations and an Executive Assistant.
